

# Your Brand. Our Expertise. Built in Africa.

We develop, manufacture, package, and deliver world-class home care, personal care, and industrial products, entirely under your brand.

WHO WE ARE

# An African, female-owned manufacturing powerhouse.

We are a manufacturing and packaging company with deep expertise in formulation, production, and retail-ready delivery. Our focus is singular: helping retailers and brand owners build outstanding private-label products.

*On a mission to build a world-class manufacturing ecosystem for quality, safe, and affordable products, made in Africa, for Africa and beyond.*

## Female-Owned

Founder-led and proudly female-owned.

## Made in Africa

Locally made for African markets and beyond.

## Fully Compliant

NAFDAC and SON registered, ISO 9001-aligned, GMP.

## End-to-End

One partner, from formula to finished product.

WHO WE PARTNER WITH

# Built for every kind of brand.

Whether you're launching your first product or expanding a multinational portfolio, we're your dedicated manufacturing partner.

## Retailers & Chains

Own-label ranges that drive basket value, margin, and customer loyalty.

## Multinationals

Added local capacity and compliant manufacturing for established brands in African markets.

## Independent Brands

Turn an emerging idea into a shelf-ready product at an accessible minimum order.

## Manufacturers

Reliable contract manufacturing and white-label supply for distributors to scale with.

WHAT WE OFFER

# Everything you need, under one roof.

01

## Private-Label Development

Products made entirely under your brand, from formula to packaging and delivery.

02

## Formula Development

In-house scientists develop proprietary formulas to your brief and category.

03

## Contract Packaging

Full packaging from design brief to shelf-ready product, with flexible run sizes.

04

## Export

Cross-border manufacturing that takes local products to wider African markets.
